The ComedySportz® High School League is the largest and most successful improv training program for high school students in the country - and its newest expansion is the Greater Boston Area! We're excited to offer more students the opportunity to learn about leadership, theater, comedy and teamwork in a fun and exciting way, all year long.

Collaborative

Creative

All students will learn new games and exercises to bring back to their home school and teach to the rest of the team.

Spirited

Opportunities for teams to compete against other high school teams on a regular basis (schedule to be determined based on number of teams enrolled).

Empowering

Applied Skills

When students are trained in ComedySportz® improv, they are trained in communication, confidence, quick thinking, individuality, and teamwork.

Student-Organized

Students will learn how to prepare for and execute a ComedySportz match at their school.

Fun

For Everyone

The High School League teaches these skills in a safe and nurturing environment where "winning the match" is a distant second to taking risks and personal growth.

Rewarding

4-STEPS TO GETTING STARTED

1. Register Your Team

Every team needs to have a small group of leaders to be responsible for the team. Once these people are chosen, you may register your team. ComedySportz can help you along the way if you have trouble!

Every team should have a *Team Administrator* (a faculty member at the school), *Team Captain(s)*: (1-2 students who commit to helping their team) and, of course, a *Team* (6-30 students).

2. Pay the Annual Tuition

Schools new to the ComedySportz High School League pay an annual tuition of \$750 - this includes additional support and a referee for their first match. Returning schools from the previous year pay a discounted rate of \$500. Many schools make the team fee back in their first few matches and use the rest of their shows to raise funds! You can also pay in 2 installments. If all else fails, call us! We have never turned down a school because of a financial problem.

3. Get Trained

Time to meet your Coach!* Teams will get to take 2 different workshops that get them ready to perform at their school and other schools: *"The Fundamentals of Improv"* and *"ComedySportz Training."* Teams can choose to schedule this workshop during a school day, after school, or on a weekend day at a location of their choosing.

**All ComedySportz Coaches are background checked.*

4. Perform a ComedySportz Match!

All ComedySportz High School League matches are refereed by an approved, professional ComedySportz Referee, to ensure that your match will run smoothly and that your team shines.

After you hire a Referee for a ComedySportz match at your school, you keep all the money from ticket sales, concession sales, and any other ways you choose to make money.
